In such places, which are very few, the Amildar may be placed in charge, instead of the Sub-Registrars if economy is desired.

SIR,

In forwarding herewith a copy of letter No. J. C. 1481/19-20 dated 11th September 1920, received from the District - Magistrate of Bangalore, I have the honor to state that rule 52 of the Lock-up Manual does not authorize Police Daffedars to do clerical duties of the Lockups where the Assistant Surgeons are the Lock-up officers. The Assitant Surgeons in charge of such Lock-ups have no clerical staff under them or any literate - subordinate who can attend to the Lock-up work. I request therefore that I may be permitted under Government Order No. 355-394/E. A. G. 381. dated 4th August 1919, to issue an amendment to rule 52 of the Lock-up Manual as follows :-

" The clerical work of the Taluk Lock-ups shall be performed by a literate Daffedar at places where the Taluk Lockups are in charge of the Assistant Surgeons and in other places by one of the clerks of the Amildar or Special Sub Registrar."

With reference to your Docket No. 885/106-20 dated the 21st June 1920 inviting my attention to G. O. No. J. C. 3183-92/Pris 38-09-2 dated the 25th April 1910 in the matter of making arrangements for maintaining the necessary registers and accounts of Lock-ups at places where they are under the charge of Assistant or Sub Assistant Surgeons, I have the honor to state that the Government Order referred to has been superseded by rule 52 of the Mysore - Lock-up Manual of 1917, and unless Rule 52 is amended, it will not be authoritative to act as per Government Order of 1910. I therefore request that you will be so good as to move Government to amend Rule 52 as follows.

"The clerical work of the Taluk Lock-up shall be performed by a literate Daffedar at places where the Taluk Lockups are in charge of the Assistant Surgeons and in other places by one of the clerks of the Amildar or Special Sub Registrar". The District Superintendent of Police, Bangalore, objects to depute a Daffedar for this work on the strength of Rule 52 but I have asked him to depute a Daffedar to help the Assistant Surgeon at Channapatna pending the amendment of Rule 52.

B. Venkoba Rao, Esq., B.A.,

General Secretary to the Government of Mysore.

Sir,

With reference to your letter No. J.754 Pris. 24-20-4 dated the 15th August 1921 about the proposed amendment of Rule 52 of Lock-up Manual, I have the honour to state that all the Deputy Commissioners and District and Assistant Superintendents of Police were consulted in the matter. The amendment proposed is only in respect of lock-ups that are in charge of Assistant Surgeons. These are only a few in number. The existing rule is that one of the clerks of the surgeon who is in charge of the lock-up should do the clerical duties. As the Assistant Surgeons have no clerks, the Inspector General of Prisons wants the Police Daffadar who is in charge of the Police guard of the lock-ups, to do the clerical duties also.

The Deputy Commissioners of Hassan, Kadur, Chitaldrug and Shimoga Districts and the District Superintendents of Police and Assistant Superintendents of Police there, have no objection to the proposed amendment.

The Deputy Commissioner and District Superintendent of Police of Tunkur have no objection but say that they have no Daffadr to spare for the work. There does not appear to be any

lock-up

17

:k-up in this district under the charge of Assistant Surgeon.

The Deputy Commissioners of Bangalore and Kolar and the District Superintendents of Police of these districts and the Assistant Superintendent of Police of Channapatna, are not in favour of the amendment. The reasons urged are:-

(1) There are constant complaints in Channapatna where the arrangement is in force tentatively now.

(2) That officers of sufficient literacy to prepare lock-up accounts are rare in the Police Department.

(3) That the Police Daffadar attached to Kasaba stations have various duties of the department to attend to.

(4) That the proposed arrangement might lead to friction between the Medical officer and the Police Inspector.

The Deputy Commissioner of Mysore says that a separate establishment is required even in regard to lock-ups under Amildars and Sub Registrars, as their clerks have already heavy work and the clerical work of lock-ups especially in places where Special Magistrates' Courts are located is too much for these clerks to attend to.

3. Though the objection urged by the officers of the Kolar and Bangalore districts are cogent and cannot be lightly brushed away, still in view of the present financial conditions, I am of opinion that the proposed amendment might be tried tentatively.

I have the honour to be,

Sir,

Your most obedient servant,

Inspector General of Police.
